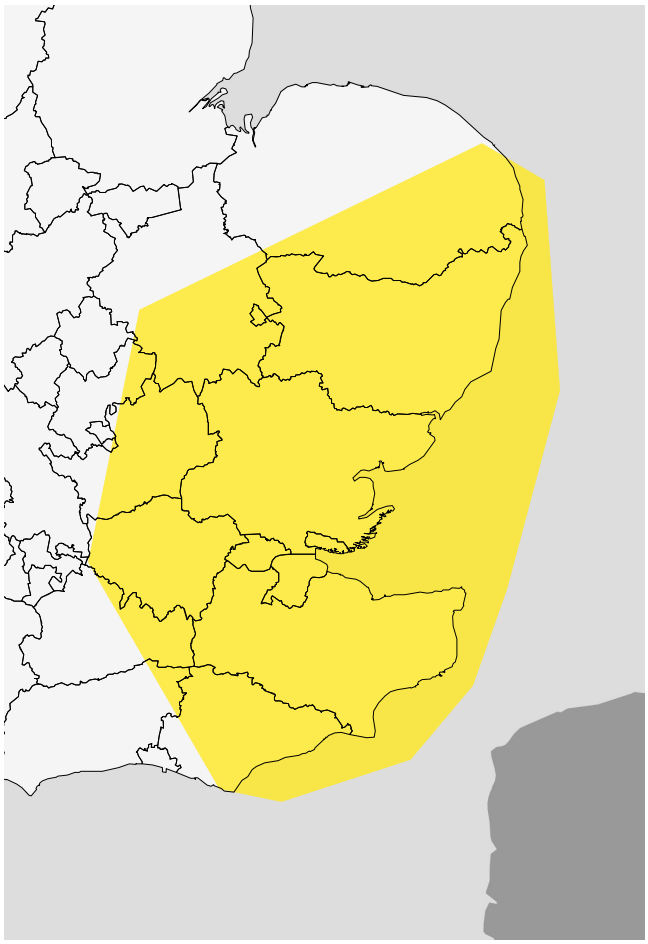
Yellow warning
Thunderstorm

Between
12:00 Sun 2 Jan 2022 and
18:00 Sun 2 Jan 2022



A band of thunderstorms will move quickly eastwards, perhaps leading to some localised disruption.

What to expect

- Spray and sudden flooding could lead to difficult driving conditions and some road closures
- There is a slight chance that power cuts could occur and other services to some homes and businesses could be lost
- Where flooding or lightning strikes occur, there is a chance of delays and some cancellations to train and bus services
- There is a slight chance of some damage to trees and buildings, such as fallen branches and tiles blown from roofs

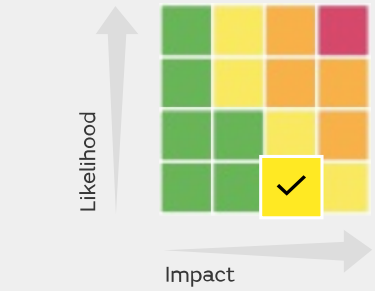
Further details

A band of heavy showers and thunderstorms will move quickly eastwards today giving a period of intense rain and perhaps 15-20 mm of rain in a few places in an hour or less.

These may be accompanied by lightning, hail and strong winds with a low risk that some places could see gusts of 50 mph.

Reason for update

Warning updated to reduce warning area.



Very low likelihood of medium impacts
